# **Presentation of the document databank on the application of the *Convention on the Elimination of All Forms of Discrimination against Women in the Americas***

Created by the Network of Women Parliamentarians of the Americas Secretariat, this document database presents the main studies and analysis on the impact and application of the *Convention on the Elimination of All Forms of Discrimination against Women* and its optional protocol in the Americas. Its purpose is to inform parliamentarians as well as researchers and students interested in these issues. The document databank groups texts by them and includes a list of relevant Websites in Spanish, English, Portuguese, and French.
