Introduction to the MIGRATIONS Document Databank

Created by the Network of Women Parliamentarians of the Americas Secretariat, this document databank presents the main studies and analyses on the impact of migration on women within the context of hemispheric integration as well as in other regions. Its purpose is to inform parliamentarians as well as researchers and students interested in these issues. The document databank groups texts by theme and includes a list of relevant Websites. The texts and Websites are identified by one of the four languages of the Parliamentary Confederation of the Americas (COPA):

- Spanish (ES)
- English (EN)
- Portuguese (PO)
- French (FR)

Texts not available on the Internet are listed as Documents not available on the Internet.
